v. a person acting on behalf of a shareholder described in any of subparagraphs i to iv.

4. None of the shareholders making the communication nor a person acting on behalf of any of them sends a form of proxy to any of the shareholders to whom the communication is made.

Introduction

This Guideline is issued pursuant to subsection 268.3 (1) of the *Insurance Act* for the purposes of subsections 14 (4), 15 (6), 17 (2) and 24 (2) of the *Statutory Accident Benefits Schedule – Accidents on or After November 1, 1996* (SABS), and applies to expenses related to services rendered on or after April 2, 2007.

The Superintendent's *Professional Services Guideline* No. 06/06 continues to apply to expenses related to services rendered or forms completed from July 1, 2006 to April 1, 2007 whether they are billed before or after April 2, 2007.

The maximum hourly rates and maximums payable for the completion of certain forms set out in this *Professional Services Guideline* apply to services rendered on or after April 2, 2007 even if approved prior to April 2, 2007.

Purpose

This Guideline establishes the maximum expenses payable by automobile insurers under the SABS related to the services of any of the health care professions or health care providers listed in the Guideline. These maximums are applicable to:

- a medical benefit under clauses 14 (2) (a), (b), or (h) of the SABS;
- a rehabilitation benefit under clauses 15 (5) (a) to (g) or (l) of the SABS;
- case management services under subsection 17 (1) of the SABS; or

Insurers are not prohibited from paying above any maximum amount or hourly rate established in the Guideline.

Services provided by health care professionals/providers, unregulated providers and other occupations not listed in the Guideline are not covered by the Guideline. The amounts payable by an insurer related to services not covered by the Guideline are to be determined by the parties involved.

Automobile insurers are not liable to pay for expenses related to the completion of certain accident benefit forms by the health professionals and providers listed in this Guideline that exceed the maximums set out below. These maximums do not apply to the assessments related to the completion of these forms.

The expense for completion of an Application for Approval of an Assessment or Examination (OCF-22) is payable only following the approval by the insurer of any assessment or examination proposed in the OCF-22, or a final determination by a Court or arbitrator that any assessment or examination proposed in the OCF-22 is reasonably required.

In respect of any expense referenced in this Guideline or in previous Superintendent's *Professional Services Guidelines*, the amount which an insurer would otherwise be liable to pay is subject to reduction by that portion of the expense for which payment is reasonably available under any insurance plan or law or under any other plan or law.

Administration Fees

"Expenses related to professional services" as referred to in the SABS and the *Professional Services Guideline* include all administration costs, overhead, and related fees. Insurers are not liable for any administration or any other charges or surcharges that have the result of increasing the effective hourly rate beyond what is permitted under the *Professional Services Guideline*.

Superintendent's Guideline No. 01/07

Health Claims for Auto Insurance Rollout Guideline

Introduction

The Health Claims for Auto Insurance Rollout Guideline (Rollout Guideline) is issued pursuant to s. 268.3 (1) of the *Insurance Act* for the purposes of ss. 44.1 (1) and 68 (3.2) of the *Statutory Accident Benefits Schedule - Accidents on or After November 1, 1996* (SABS) as amended by Regulation 533/06.

The amendments change the way that some SABS claim documents are in some circumstances to be sent to the insurers to whom this Rollout Guideline applies. A document to which this Rollout Guideline applies and that previously would have been sent directly to an insurer to whom this Rollout Guideline applies is instead to be sent to a Central Processing Agency (CPA) established by the insurance industry to receive such documents on behalf of insurers. This Rollout Guideline describes:

- Which insurers, health care facilities ("facilities") and health care providers ("providers") are subject to the Rollout Guideline and in what circumstances;
- what documents are to be delivered to the CPA and in what circumstances;
- how such documents may be delivered to the CPA; and
- how insurers are to provide information to the CPA.

This Rollout Guideline applies to documents specified in this Rollout Guideline that are delivered on or after April 2, 2007, regardless of the date of the accident to which they relate.

Insurers and Providers That Are Subject To This Rollout Guideline

The Financial Services Commission of Ontario will maintain and update from time to time a list of identified insurers and facilities/providers (or specified branch offices thereof) participating in the Health Claims for Auto Insurance (HCAI) (the "HCAI Participant List") and the dates on which their participation begins. Please see Appendix 1 for details of how to obtain copies of the HCAI Participant List in effect at any particular time.

For the purposes of this Rollout Guideline:

- each specified branch office of an identified insurer is a Participating Insurer, and
- each specified branch office of an identified facility, and each provider operating in a specified branch office of an identified facility, is a Participating Provider.

This Rollout Guideline applies only to transactions between a Participating Provider and a Participating Insurer in respect of any claim for SABS benefits under a motor vehicle liability policy issued in Ontario.

This Rollout Guideline does not apply to the Motor Vehicle Accident Claims Fund.

Designation of Central Processing Agency – SABS s. 68 (3.2)

Health Claims for Auto Insurance Processing is the CPA for the purposes of this Rollout Guideline and s. 68 (3.2) of the SABS. Health Claims for Auto Insurance Processing is a not-for-profit Ontario corporation established and funded by the insurance industry and operated by a board of directors that includes representatives of the insurance industry and health care communities.

The primary role of the CPA is to act as the agent of insurers to receive specified documents on their behalf, to confirm that the documents are duly completed and contain all of the information required to be included in them, and then to make the documents available for access by the insurers to whom they are addressed. The CPA also acts as an intermediary for the purpose of enabling insurers to communicate information such as claims approval and payment decisions electronically to those health care goods and services providers who wish to receive such communications electronically through the CPA.

The CPA is also expected to be a primary source of the information that automobile insurers will be required under s. 101.1 of the *Insurance Act* to provide to the Superintendent of Financial Services concerning claims for goods and services for which automobile insurers are liable under contracts of automobile insurance.

Invoices

For Goods And Services That Are Subject To This Rollout Guideline – SABS s. 44.1

Any invoice for goods or services specified in Appendix 2 of this Rollout Guideline must be in the form (the Auto Insurance Standard Invoice) approved by the Superintendent of Financial Services in accordance with s. 69 of the SABS.

This requirement applies only if:

- all of the goods or services referred to in the invoice are provided in Ontario by the Participating Provider,
- the invoice is not submitted by the claimant,
- the invoice is submitted by a Participating Provider and is payable to the Participating Provider, and
- payment of the invoice is claimed against a Participating Insurer with respect to a transaction with a Participating Provider.

Where this requirement applies, s. 44.1 (1) of the SABS prohibits a Participating Insurer from paying any invoice that is not in the approved form, does not include all of the information required by the approved form, or is not sent to the CPA as required by this Rollout Guideline.

Participating Providers are to invoice Participating Insurers for goods or services specified in Appendix 2 separately from goods or services not specified in Appendix 2. Similarly, Participating Providers are to invoice Participating Insurers for goods or services provided in Ontario separately from goods and services not provided in Ontario.

Documents That Must Be Delivered To The CPA

The following documents are specified for the purpose of s. 68 (3.2) of the SABS. Each such document must be delivered to the CPA (not directly to the insurer to whom it is addressed) in accordance with this Rollout Guideline if delivered by a Participating Provider to a Participating Insurer:

OCF-18	Treatment Plan – SABS s. 38
OCF-21	Auto Insurance Standard Invoice – SABS s. 44.1 – but only if this Rollout Guideline requires the use of this form for the particular goods or services being billed
OCF-22	Application for Approval of an Assessment or Examination – SABS s. 38.2
OCF-23/198	Pre-approved Framework Treatment Confirmation Form – SABS s. 37.1

Please note that a document that this Rollout Guideline does not require to be delivered to the CPA must be delivered directly to the insurer using one of the delivery methods provided for in s. 68 (2) of the SABS.

How To Deliver Documents To The Central Processing Agency

A document that is required by this Rollout Guideline to be delivered to the CPA shall be delivered to the CPA in electronic form in a manner that results in it being capable of being retrieved and accessed by the CPA.

Participating Providers are authorized to deliver documents to the CPA electronically as described above, and to access information electronically from the CPA, upon completion of the appropriate enrolment process (see "**Enrolment Of Users And Providers**" below).

Paper Submission

It is anticipated that in the near future the CPA will also be in a position to receive documents in paper form, delivered by mail, fax or personal delivery in accordance with ss. 68 (2) (a), (b), (c) or (d) of the SABS. It is anticipated that an amended version of this Guideline, setting out the rules that will apply to paper submissions, will be issued at that time. In the meantime, the option of delivery of forms to the CPA in paper form is not available.

Attachments to Documents That Are Subject To This Rollout Guideline

If a sender determines that it is necessary to send one or more attachments with a document rather than including in the document itself all information that the sender determines to be desirable or necessary to accomplish its purpose, the following special rules apply:

1. The sender must specify, in the field provided in the document for that purpose, how many attachments are being delivered with the document, with a brief description of each attachment.
2. The document itself (but not the attachments) must still be delivered to the CPA as described above.
3. The attachments are not to be delivered to the CPA but instead must be delivered directly to the insurer by one of the delivery methods described in s. 68 (2) of the SABS. Although it is preferable that all attachments be delivered to the insurer at the same time, it is not mandatory to do so.

4. The attachments are not to be sent to the insurer before the document is sent to the CPA.

5. Each attachment must be identified with the claimant's name, either of claim number or policy number, and date of accident, and with the document type (i.e., OCF-18, OCF-21, OCF-22 or OCF-23/198) to which the attachment relates, to enable the insurer to identify the document for which the attachment is intended.

Rules Governing Date of Receipt of Documents By Insurers

Section 68 of the SABS sets out the rules that determine when a document delivered to the CPA as required by this Rollout Guideline is deemed to be received by the insurer to whom it is addressed. Briefly summarized, those rules provide:

1. **Document with no attachments** – is deemed to be received by the insurer to whom it is addressed when the document has been delivered to the CPA in a manner specified in this Rollout Guideline, and the CPA has determined that the document is duly completed and contains all information required by the SABS to be included in it.

2. **Document with attachments** – is deemed to be received by the insurer to whom it is addressed when:

   (a) the document (exclusive of attachments) has been delivered to the CPA in a manner specified in this Rollout Guideline, and the CPA has determined that the document is duly completed and contains all information required by the SABS to be included in it; and

   (b) all of the attachments have been received by the insurer.

The SABS provides (s. 68 (7)) that a document delivered to the CPA by fax, personal delivery or by electronic submission later than 5:00 p.m. Toronto time is deemed to have been delivered to the CPA on the following business day.

The SABS also provides (s. 68 (3.5)) that the CPA will be deemed to have determined, on the day a document was delivered to it in a manner specified in this Rollout Guideline, that the document is duly completed and contains all information required by the SABS to be included in it unless the CPA notifies the sender to the contrary in a manner specified in this Rollout Guideline.

For the purposes of s. 68 (3.5), the manner in which the CPA is to notify the sender is by one of the delivery methods provided for in s. 68 (2) of the SABS. The CPA may also deliver the notification verbally (for example by telephone call, or by telephone message) provided written confirmation is given as soon as practicable afterwards by one of the delivery methods provided for in s. 68 (2) of the SABS.

The SABS further provides (s. 68 (3.2)) that a document to which this Rollout Guideline applies is deemed not to have been delivered to an insurer unless it is delivered as required by this Rollout Guideline.

Completion of Documents

A document to which this Rollout Guideline applies will be deemed not to have been completed and not to contain all the information required by the SABS to be included in it unless all fields (other than those that are optional in the circumstances indicated on the form as approved by the Superintendent of Financial Services) are completed as required by this Rollout Guideline.

The information in any completed field must comply with the validation rules set out in Appendix 3 of this Rollout Guideline.

Where the form specifies the format in which certain information (e.g., a date) is to be provided, the information must be provided in that format.

If the document is delivered in paper form, all completed fields must be legible.

All attachments must be legible.

Codes To Be Used In Submitting Information

The following information shall be provided utilizing the codes specified below:

- To describe injuries and *sequelae*, codes listed in the International Statistical Classification of Diseases and Related Health Problems, 10th Revision, Canadian Enhancement (ICD-10-CA) which is maintained by the Canadian Institute for Health Information and available through *www.cihi.ca*. An abridgment of the ICD-10-CA list of codes, developed to assist stakeholders in the Ontario automobile insurance system, is available at *www.hcaiinfo.ca*.

- To describe health interventions, codes listed in the Canadian Classification of Health Interventions (CCI) which is maintained by the Canadian Institute for Health Information and available through *www.cihi.ca*. An abridgment of the CCI list of codes, developed to assist stakeholders in the Ontario automobile insurance system, is available at *www.hcaiinfo.ca*.

- To describe provider types, the list of Provider Type Codes available at *www.hcaiinfo.ca*.

The information at *www.hcaiinfo.ca* is maintained by Insurance Bureau of Canada in cooperation with the professional associations referred to at *http://www.hcaiinfo.ca/links.asp*.

Requirements For Insurers

Where the SABS requires a Participating Insurer to provide information to the CPA, such information shall be delivered to the CPA in electronic form in a manner that results in it being capable of being retrieved and accessed by the CPA.

The information referred to in s. 44.1 (3) of the SABS concerning the processing of an invoice must be provided to the CPA within five business days after the invoice has been processed by the Participating Insurer.

The information referred to in s. 68 (3.8) of the SABS concerning any other document to which this Rollout Guideline applies must be provided to the CPA within five business days after the document has been processed by the Participating Insurer.

The information referred to in s. 68 (3.9) of the SABS concerning receipt of attachments must be provided to the CPA within five business days after the last attachment has been received by the Participating Insurer.

The deadlines referred to above are independent of, and not to be confused with, the deadlines within which an insurer is to process and respond to a document as set out in the SABS.

A Participating Insurer that has completed the enrolment process as an Insurer (see "Enrolment of Users And Providers" below) is authorized to deliver information to the CPA electronically and to access from the CPA information that has been delivered to the CPA by a Participating Provider.

Enrolment Of Users And Providers

Before submitting information to, or receiving information from, the CPA, a provider, facility or insurer that is a Participating Provider or Participating Insurer shall enroll with the CPA and agree to its user terms and conditions. Providers and facilities may elect to enroll for either paper submission or electronic submission, but not both at the

same time. The user terms and conditions may include commercially reasonable provisions to address responsibilities including confidentiality, security, liability, access, and data integrity.

Temporary Suspensions Of This Rollout Guideline

In the event that the CPA becomes unable (e.g., by reason of temporary technical issues) to properly carry out its obligations to providers, facilities or insurers, the Superintendent of Financial Services may temporarily suspend the operation of this Rollout Guideline.

The Financial Services Commission of Ontario will post notice of any suspension and subsequent resumption of operation of this Rollout Guideline on its website (*www.fsco.gov.on.ca*).

During the period of any such suspension, the requirements of this Rollout Guideline do not apply and documents are instead to be delivered directly to insurers using one of the standard delivery methods provided for in s. 68 (2) of the SABS.

Lignes directrices du surintendant no 01/07

Lignes directrices de mise en œuvre du Système de demandes de règlement pour soins de santé liés à l'assurance automobile

Introduction

Les Lignes directrices de mise en œuvre du Système de demandes de règlement pour soins de santé liés à l'assurance-automobile (Lignes directrices de mise en œuvre) s'appliquent en vertu du paragraphe 268.3 (1) de la Loi sur les assurances et aux fins des sous-sections 44.1 (1) et 68 (3.2) de *l'Annexe sur les indemnités d'accident légales – accidents survenus le 1er novembre 1996 ou après ce jour* (AIAL) telle que modifiée par le Règlement 533/06.

Les modifications se rapportent aux modalités de remise de quelques formulaires de demande d'indemnités de l'AIAL envoyés dans certaines circonstances aux assureurs auxquels les présentes lignes directrices s'appliquent. Ainsi, un document visé par ces lignes directrices qui, auparavant, était envoyé à un assureur devra désormais être envoyé à un bureau central de traitement (BCT) établi par les assureurs pour recevoir ces documents en leur nom. Les Lignes directrices de mise en œuvre précisent :

- les assureurs, établissements de soins de santé (« établissements ») et fournisseurs de soins de santé (« fournisseurs de soins de santé ») assujettis aux Lignes directrices de mise en œuvre et dans quelles circonstances;
- les documents devant être livrés au BCT et les circonstances dans lesquelles ils doivent être livrés;
- la manière dont ces documents peuvent être livrés au BCT;
- la manière dont les assureurs doivent fournir des renseignements au BCT.

Ces Lignes directrices de mise en œuvre s'appliquent aux documents visés qui sont livrés le 2 avril 2007 ou après cette date, peu importe la date de l'accident auquel ils se rapportent.

Assureurs et fournisseurs assujettis aux présentes Lignes directrices de mise en œuvre

La Commission des services financiers de l'Ontario conservera et tiendra à jour une liste des assureurs et des établissements/fournisseurs (ou des bureaux locaux de ces derniers) qui participent au Système de demandes de règlement pour soins de santé liés à l'assurance-automobile (DRSSAA) (la « liste des participants au Système DRSSAA ») et des dates de début de leur participation. Se reporter à l'annexe 1 pour savoir comment obtenir des exemplaires de la liste des participants au Système DRSSAA en vigueur à un moment donné.

Aux fins des présentes Lignes directrices de mise en œuvre :

- le bureau local d'un assureur visé est un assureur participant et
- le bureau local désigné d'un établissement identifié et le fournisseur exerçant ses activités dans un bureau local désigné d'un établissement identifié sont des fournisseurs participants.

Ces Lignes directrices de mise en œuvre s'appliquent seulement aux transactions entre un fournisseur et un assureur participant découlant d'une demande d'indemnités en vertu de l'AIAL au titre d'une police d'assurance automobile émise en Ontario.

Ces Lignes directrices de mise en œuvre ne s'appliquent pas au Fonds d'indemnisation des victimes d'accidents de véhicules automobiles.

Désignation du bureau central de traitement – AIAL, par. 68 (3.2)

Health Claims for Auto Insurance Processing est le bureau central de traitement aux fins des présentes lignes directrices et du par. 68 (3.2) de l'AIAL. Health Claims for Auto Insurance Processing est une société ontarienne sans but lucratif établie et financée par l'industrie des assurances et exploitée par un conseil d'administration composé de représentants du secteur de l'assurance et du milieu de la santé.

Le rôle du BCT consiste principalement à agir en qualité d'agent pour les assureurs. Il est chargé de recevoir certains documents en leur nom, de vérifier si les documents sont dûment remplis et renferment tous les renseignements exigés et de les remettre aux assureurs auxquels ils sont adressés. Il agit également comme intermédiaire pour permettre aux assureurs de transmettre électroniquement les renseignements concernant, notamment, l'approbation des demandes et les décisions de paiement aux fournisseurs de produits et services médicaux qui souhaitent recevoir ces renseignements électroniquement par son entremise.

On s'attend également à ce que le BCT soit la source principale des renseignements que les compagnies d'assurance automobile devront, conformément à l'article 101.1 de la *Loi sur les Assurances*, fournir au Surintendant des services financiers concernant les demandes de règlement relatives aux produits et services qu'elles sont tenues de fournir en vertu des contrats d'assurance automobile.

Factures pour les produits et services assujettis aux Lignes directrices de mise en œuvre – AIAL, art. 44.1

Toute facture se rapportant aux produits ou services désignés à l'annexe 2 de ces Lignes directrices de mise en œuvre doit être rédigée selon la formule (la Facture d'assurance-automobile standard) approuvée par le Surintendant des services financiers, conformément à l'article 69 de l'AIAL.

Cette exigence s'applique uniquement si :

- tous les produits ou services mentionnés sur la facture sont fournis en Ontario par le fournisseur participant,
- la facture n'est pas présentée par le demandeur,
- la facture est présentée par un fournisseur participant et est payable à ce dernier et
- le paiement de la facture réclamé à un assureur participant porte sur une transaction avec un fournisseur participant.

Lorsque cette exigence s'applique, le paragraphe 44.1 (1) de l'AIAL interdit à un assureur participant de payer une facture qui n'est pas rédigée selon la formule approuvée, ne renferme pas tous les renseignements exigés ou n'est pas envoyée au BCT comme l'exigent ces Lignes directrices de mise en œuvre.

Les fournisseurs participants doivent présenter aux assureurs participants des factures séparées pour les produits et services désignés à l'annexe 2 et les produits et services non désignés à l'annexe 2. Ils doivent également leur présenter des factures séparées pour les produits et services dispensés en Ontario et les produits et services non dispensés en Ontario.

Documents qui doivent être remis au BCT

Les documents suivants sont désignés aux fins du paragraphe 68 (3.2) de l'AIAL. Lorsqu'ils sont présentés par un fournisseur participant à un assureur participant, ils doivent être remis au BCT (et non pas directement à l'assureur auquel ils sont adressés) de la manière précisée dans les présentes lignes directrices :

FDIO-18	Programme de traitement – AIAL, art. 38
FDIO-21	Facture d'assurance automobile standard – AIAL, art. 44.1 – mais seulement si ces Lignes directrices de mise en œuvre exigent l'utilisation de cette formule pour les produits et services facturés

FDIO-22 Demande d'approbation pour une évaluation ou un examen – AIAL, art. 38.2

FDIO-23/198 Confirmation du traitement selon les Lignes directrices pré autorisées – AIAL, art. 37.1

À noter qu'un document dont la présentation directe au BCT n'est pas exigée par ces Lignes directrices de mise en œuvre doit être remis directement à l'assureur d'une manière précisée au paragraphe 68 (2) de l'AIAL.

Remise des documents au bureau central de traitement

Un document dont la présentation au BCT est exigée par ces Lignes directrices de mise en œuvre doit être remis à celui-ci par voie électronique de manière à ce qu'il puisse le récupérer et le consulter.

Les fournisseurs participants sont autorisés à remettre des documents au BCT par voie électronique et à accéder aux renseignements électroniques du BCT après s'être inscrits (voir « **Inscription des utilisateurs et des fournisseurs** »).

Présentation des documents papier

On prévoit que le BCT pourra bientôt recevoir des documents papier remis par courrier, par télécopieur ou en personne, conformément aux alinéas 68 (2) a), b), c) ou d) de l'AIAL. Une version modifiée des présentes lignes directrices énonçant les règles applicables aux documents papier sera diffusée à ce moment-là. Dans l'intervalle, la remise au BCT de formulaires en format papier n'est pas une option.

Pièces jointes aux documents assujettis aux présentes Lignes directrices de mise en œuvre

Si un expéditeur détermine qu'il doit envoyer une ou plusieurs pièces jointes avec un document au lieu d'inclure dans le document lui même tous les renseignements qu'il juge désirables ou nécessaires aux fins voulues, les règles spéciales suivantes s'appliquent :

1. L'expéditeur doit préciser, dans le champ prévu à cette fin dans le document, le nombre de pièces jointes remises avec le document et décrire brièvement chacune d'elles.

2. Le document lui-même (à l'exclusion des pièces jointes) doit être remis au BCT tel que décrit précédemment.

3. Les pièces jointes ne doivent pas être livrées au BCT mais directement à l'assureur d'une manière précisée au paragraphe 68 (2) de l'AIAL. Il est préférable de remettre toutes les pièces jointes à l'assureur en même temps, mais cela n'est pas obligatoire.

4. Les pièces jointes ne doivent pas être envoyées à l'assureur avant que le document n'ait été envoyé au BCT.

5. Chaque pièce jointe doit comporter le nom du demandeur, le numéro de la demande de règlement ou le numéro de la police et la date de l'accident, ainsi que le type de document (i.e., FDIO-18, FDIO-21, FDIO-22 ou FDIO 23/198) auquel elle se rapporte, afin de permettre à l'assureur d'identifier le document auquel elle appartient.

Règles régissant la date de réception des documents par les assureurs

L'article 68 de l'AIAL énonce les règles qui déterminent quand un document remis au BCT, conformément à ces Lignes directrices de mise en œuvre, est réputé reçu par l'assureur auquel il est adressé. Brièvement, ces règles prévoient ce qui suit :

1. **Document sans pièce jointe** – est réputé reçu par l'assureur auquel il est adressé le jour où le bureau central de traitement établit que le document qui lui a été remis d'une manière précisée dans ces lignes directrices est dûment rempli et contient tous les renseignements dont l'AIAL exige l'inclusion.

2. **Document avec pièces jointes** – est réputé reçu par l'assureur auquel il est adressé quand :

(a) le bureau central de traitement établit que le document (à l'exclusion des pièces jointes) qui lui a été remis d'une manière précisée dans ces lignes directrices est dûment rempli et contient tous les renseignements dont l'AIAL exige l'inclusion; et

(b) l'assureur a reçu toutes les pièces jointes.

L'AIAL précise (par. 68 (7)) qu'un document remis au BCT par télécopie, en personne ou par voie électronique après 17 heures, heure de Toronto, est réputé remis le jour ouvrable suivant.

L'AIAL énonce également (par. 68 (3.5)) que le bureau central de traitement sera réputé avoir établi, le jour où un document lui a été remis d'une manière précisée dans les Lignes directrices de mise en œuvre, que le document est dûment rempli et contient tous les renseignements dont l'AIAL exige l'inclusion, sauf s'il avise l'expéditeur, d'une manière précisée dans les présentes lignes directrices, que tel n'est pas le cas.

Aux fins du paragraphe 68 (3.5), le BCT doit aviser l'expéditeur d'une manière précisée au paragraphe 68 (2) de l'AIAL. Il peut également transmettre l'avis verbalement (par exemple, par téléphone ou message téléphonique) pourvu qu'une confirmation écrite soit donnée dans les plus brefs délais possibles d'une manière précisée au paragraphe 68 (2) de l'AIAL.

L'AIAL précise également (par. 68 (3.2)) qu'un document visé par les présentes Lignes directrices de mise en œuvre est réputé reçu par un assureur uniquement s'il est remis d'une manière précisée dans celles-ci.

Production des documents

Un document auquel les présentes Lignes directrices de mise en œuvre s'appliquent est réputé non dûment rempli et ne pas contenir tous les renseignements exigés par l'AIAL à moins que tous les champs (autres que les champs qui sont optionnels dans les circonstances indiquées sur le formulaire approuvé par le Surintendant des services financiers) ne soient remplis conformément aux présentes lignes directrices.

L'information fournie dans un champ doit être conforme aux règles de validation énoncées à l'annexe 3 des présentes Lignes directrices de mise en œuvre.

L'information (p. ex. une date) doit être fournie selon le format précisé dans le formulaire, le cas échéant.

Si le document est remis en format papier, les champs remplis doivent être lisibles.

Toutes les pièces jointes doivent être lisibles.

Codes à utiliser pour présenter les renseignements

Les renseignements suivants doivent être fournis à l'aide des codes précisés :

- Pour décrire les blessures et séquelles, les codes énumérés dans la 10e révision de la Classification statistique internationale des maladies et des problèmes de santé connexes (CIM-10-CA) maintenue à jour par l'Institut canadien d'information sur la santé et disponible à *www.cihi.ca*. Une version abrégée de la liste de codes de la CIM-10-CA, élaborée pour aider les intervenants du système d'assurance automobile de l'Ontario, est disponible à *www.hcaiinfo.ca*.

- Pour décrire les interventions en santé, les codes énumérés dans la Classification canadienne des interventions en santé (CCI) maintenue par l'Institut canadien d'information sur la santé et disponible à *www.cihi.ca*. Une version abrégée de la liste de codes de la CCI, élaborée pour aider les intervenants du système d'assurance automobile de l'Ontario, est disponible à *www.hcaiinfo.ca*.

- Pour décrire les types de fournisseurs, la liste de codes des types de fournisseurs disponible à *www.hcaiinfo.ca*.

- Pour décrire les catégories de paiement préautorisées, la liste des codes de remboursement préautorisés disponible à *www.hcaiinfo.ca*.

- Pour décrire les produits et services facturés aux compagnies d'assurance automobile par les fournisseurs non couverts par la CCI, la liste intitulée Goods, Administration, and Other Codes (produits, services administratifs et autres codes) disponible à *www.hcaiinfo.ca*.

- Pour décrire les unités de mesure et convertir les minutes en heures, la liste des codes des unités de mesure et le tableau de conversion des minutes en heures disponibles à *www.hcaiinfo.ca*.

Les renseignements affichés à *www.hcaiinfo.ca* sont tenus à jour par le Bureau d'assurance du Canada en collaboration avec les associations professionnelles mentionnées à *http://www.hcaiinfo.ca/links.asp*.

Exigences s'appliquant aux assureurs

Un document dont la présentation au BCT est exigée par ces lignes directrices doit être remis à celui-ci par voie électronique de manière à ce qu'il puisse le récupérer et le consulter.

Les renseignements concernant le traitement d'une facture mentionnés au paragraphe 44.1 (3) de l'AIAL doivent être fournis au BCT dans un délai d'au plus cinq jours ouvrables après que l'assureur participant a traité la facture.

Les renseignements concernant tout autre document visé par les présentes lignes directrices mentionnés au paragraphe 68 (3.8) de l'AIAL doivent être fournis au BCT dans un délai d'au plus cinq jours ouvrables après que l'assureur participant a traité le document.

Les renseignements concernant la réception des pièces jointes mentionnés au paragraphe 68 (3.9) de l'AIAL doivent être fournis au BCT dans un délai d'au plus cinq jours ouvrables après que l'assureur participant a reçu la dernière pièce jointe.

Les échéances mentionnées précédemment n'ont aucun lien et ne doivent pas être confondues avec les échéances dont dispose un assureur pour traiter et commenter un document énoncées dans l'AIAL.

Un assureur participant inscrit (voir « Inscription des utilisateurs et des fournisseurs ») est autorisé à fournir des renseignements au BCT par voie électronique et à obtenir auprès de celui-ci des renseignements qui lui ont été remis par un fournisseur participant.

Inscription des utilisateurs et des fournisseurs

Avant de remettre des renseignements au BCT ou d'obtenir des renseignements du BCT, un fournisseur, un établissement ou un assureur participant doit s'inscrire auprès de celui-ci et accepter les conditions qu'il impose aux utilisateurs. Les fournisseurs et les établissements peuvent choisir de s'inscrire pour la présentation de documents papier ou pour la présentation de documents électroniques, mais ils ne peuvent s'inscrire pour ces deux modes de présentation en même temps. Les conditions imposées aux utilisateurs peuvent inclure des dispositions commercialement raisonnables se rapportant à des obligations touchant la confidentialité, la sécurité, la responsabilité, l'accès et l'intégrité des données.

Suspensions temporaires des Lignes directrices de mise en œuvre

Advenant que le BCT est incapable (p. ex. à cause de problèmes techniques temporaires) de s'acquitter adéquatement de ses obligations à l'égard des fournisseurs, des établissements ou des assureurs, le Surintendant des services financiers pourrait suspendre temporairement l'application des présentes Lignes directrices de mise en œuvre.

La Commission des services financiers de l'Ontario affichera un avis de suspension et de reprise de l'application de ces lignes directrices sur son site Web (*www.fsco.gov.on.ca*).

Durant une suspension, les exigences des présentes Lignes directrices de mise en œuvre ne s'appliqueront pas et les documents devront être remis directement aux assureurs de la manière précisée au paragraphe 68 (2) de l'AIAL.

Notice of Minister of Health and Long-Term Care

NOTICE OF PROPOSED REGULATION

Personal Health Information Protection Act, 2004

The Minister of Health and Long-Term Care on behalf of the Government of Ontario invites public comments on a regulation proposed to be made under the *Personal Health Information Protection Act, 2004* ("PHIPA").

PHIPA came into force on November 1, 2004. Ontario Regulation 329/04, "General," made under PHIPA also came into force on November 1, 2004, and has since then been amended by O. Regs. 245/06 and 537/06. The Government is proposing a regulation to further amend Regulation 329/04. The Act requires that the Minister publish a notice of the proposed regulation and allow 60 days for public comment, after which the Minister reports to the Lieutenant Governor in Council, who may then finalize the regulation with or without changes.

Content of Proposed Regulation

The proposed regulation would make the following amendment to the existing regulation under PHIPA, Regulation 329/04:

- In order to implement the recently announced Colorectal Cancer Screening Program, the registry established by Cancer Care Ontario for this purpose is proposed to be prescribed under s. 39(1)(c) of PHIPA, which allows health information custodians to disclose personal health information "to a prescribed person who compiles or maintains a registry of personal health information for purposes of facilitating or improving the provision of health care…". This will allow health information custodians, for example licensed medical laboratories, to be authorized to provide personal health information to that registry for the purposes of the screening program.

Invitation to Provide Comments on Proposed Regulations

The public is invited to provide written comments on the proposed regulation over a 60-day period, commencing on March 31, 2007 and ending on May 30, 2007.

In providing comments, please consider whether the proposed amendments to Regulation 329/04 should be made, with or without changes. Furthermore, please consider whether any other amendment should be made to Regulation 329/04. Please be as specific as possible, and provide a full rationale for any suggested changes or additions.

Written comments may be addressed to:
MS. CAROL APPATHURAI
Ministry of Health and Long Term Care
Strategic Policy Branch
8th Floor Hepburn Block
Toronto, Ontario
M7A 1R3
Fax: (416) 314-8275

The proposed regulation set out following this notice is provided in English and French. We welcome your input in either English or French. All comments and submissions received during the comment period will be considered during final preparation of the regulation. The content, structure and form of the proposed regulation is subject to change as a result of the comment process in the discretion of the Lieutenant Governor in Council, who has the final decision on the contents of any regulation.

Information respecting the *Personal Health Information Protection Act, 2004,* Regulation 329/04, and electronic copies of this notice, including the text of the proposed regulation, may be accessed through the Ministry of Health and Long Term Care's web-site at the following address: *http://www.health.gov.on.ca/english/providers/legislation/priv_legislation/priv_legislation.html*

Please note that unless requested and agreed otherwise by the Ministry all materials or comments received from organizations in response to this Notice will be considered public information and may be used and disclosed by the Ministry to assist the Ministry in evaluating and revising the proposed regulation. This may involve disclosing materials or comments, or summaries of them, to other interested parties during and after the request for public comment process. **An individual who provides materials or comments and who indicates an affiliation with an organization will be considered to have submitted those comments or materials on behalf of the organization so identified.** Materials or comments received from individuals who do not indicate an affiliation with an organization will not be considered public information unless expressly stated otherwise by the individual. However, materials or comments provided by individuals may be used and disclosed by the Ministry to assist in evaluating and revising the proposed regulation. Personal information of those who do not specify an organizational affiliation, such an individual's name and contact details, will not be disclosed by the Ministry without the individual's consent unless required by law. If you have any questions about the collection of this information, you can contact the Freedom of Information and Privacy Coordinator of the Ministry of Health and Long-Term Care at (416) 327-7040.

Avis du ministre de la Santé et des Soins de longue durée

AVIS DE PROJET DE RÈGLEMENT

Loi de 2004 sur la protection des renseignements personnels sur la santé

Au nom du gouvernement de l'Ontario, le ministre de la Santé et des Soins de longue durée invite le public à présenter des commentaires sur un projet de règlement d'application de la *Loi de 2004 sur la protection des renseignements personnels sur la santé* (« LPRPS »).

La LPRPS et son règlement d'application 329/04, intitulé *Dispositions générales*, sont entrés en vigueur le 1er novembre 2004. Depuis, ce règlement a été modifié par les Règl. de l'Ont. 245/06 et 537/06. Le projet de règlement du gouvernement modifierait de nouveau le Règlement de l'Ontario 329/04. La Loi oblige le ministre à publier un avis du projet de règlement et à prévoir une période de consultation publique de 60 jours, après quoi il doit faire rapport au lieutenant-gouverneur en conseil, qui peut prendre le règlement avec ou sans modifications.

Contenu du projet de règlement

Le projet de règlement prévoit la modification suivante du Règlement de l'Ontario 329/04 en vigueur actuellement :

- En vue de la mise en oeuvre du Programme de dépistage du cancer colorectal annoncé récemment, on propose de prescrire le registre dressé par Action Cancer Ontario à cette fin aux termes de l'al. 39 (1) c) de la LPRPS, qui autorise les dépositaires de renseignements sur la santé à divulguer des renseignements personnels sur la santé « à une personne prescrite qui dresse ou tient un registre de renseignements personnels sur la santé visant à faciliter ou à améliorer la fourniture de soins de santé ». Un dépositaire de renseignements sur la santé, comme un laboratoire médical titulaire de permis, pourrait donc, aux fins du Programme de dépistage, fournir à ce registre des renseignements personnels sur la santé.

Invitation à présenter des commentaires sur le projet de règlement

Le public est invité à présenter des commentaires écrits sur le projet de règlement dans un délai de 60 jours, soit du 31 mars 2007 au 30 mai 2007.

Dans vos commentaires, veuillez indiquer s'il faut apporter au Règlement de l'Ontario 329/04 les modifications proposées dans leur version originale ou modifiée. Veuillez aussi indiquer s'il faut apporter d'autres modifications au Règlement. Soyez le plus précis possible et justifiez en détail toute modification ou tout ajout proposé.

Les commentaires écrits doivent être adressés à :
Mme Carol Appathurai
Ministère de la Santé et des Soins de longue durée
Direction des politiques stratégiques
Édifice Hepburn, 8e étage
Toronto (Ontario) M7A 1R3
Télécopieur : 416 314-8275

Vous trouverez ci-joint les versions anglaise et française du projet de règlement. Nous vous invitons à faire vos commentaires en français ou en anglais. Tout commentaire reçu durant la période de consultation sera examiné au cours de la mise au point du règlement. Le contenu, la structure et la forme du projet de règlement sont sujets à modification en raison du processus de consultation, sous réserve de la décision du lieutenant-gouverneur en conseil, qui décide en dernier lieu du contenu des règlements.

Des renseignements sur la LPRPS et le Règlement de l'Ontario 329/04 ainsi que la version électronique du présent avis, y compris le libellé du projet de règlement, se trouvent sur le site Web du ministère de la Santé et des Soins de longue durée à *www.health.gov.on.ca/english/providers/legislation/priv_legislation/priv_legislation.html*.

On peut également obtenir la LPRPS et le Règlement de l'Ontario 329/04 sur le site Web *www.lois-en-ligne.gouv.on.ca* ou chez Publications Ontario, 50, rue Grosvenor, Toronto (Ontario) M7A 1N8, 416 326-5300.

Remarque : Les documents ou les commentaires reçus d'un organisme en réponse au présent avis seront considérés comme appartenant au domaine public, sauf si l'organisme demande le contraire et que le ministère y consent, et celui-ci pourra les utiliser et les divulguer aux fins de l'évaluation et de la révision du projet de règlement. On pourra donc communiquer ces documents, ces commentaires ou des résumés de ceux-ci à d'autres parties intéressées pendant et après le processus de consultation publique. **Tout particulier qui fournit des documents ou des commentaires et qui mentionne être affilié à un organisme sera réputé l'avoir fait au nom de l'organisme**. Les documents et les commentaires de tout particulier qui ne mentionne aucune affiliation à un organisme ne seront pas considérés comme appartenant au domaine public, sauf s'il demande expressément le contraire. Toutefois, le ministère pourra utiliser et divulguer ces documents et ces commentaires aux fins de l'évaluation et de la révision du projet de règlement. Sauf si la loi l'y oblige, il ne divulguera pas les renseignements personnels concernant un tel particulier, comme son nom et ses coordonnées, sans son consentement. Si vous avez des questions sur la collecte de ces renseignements, veuillez communiquer avec le coordonnateur de l'accès à l'information et de la protection de la vie privée du ministère de la Santé et des Soins de longue durée, au 416 327-7040.

PART II

LOCAL MUNICIPAL LEVIES — EXCEPTIONS (SUBSECTION 277 (7) OF THE ACT)

General tax rate if s. 277 (7) of the Act applies

3. (1) This section provides for the manner in which the tax rates on property in a property class are to be determined under subsection 277 (7) of the Act if the conditions set out in that subsection are satisfied.

(2) The tax rate for the general levy for the taxation year for the property class shall not exceed the sum of,

(a) the maximum class rate for the year determined for the property class under section 7; and

(b) the additional rate for the property class for the year that is determined under subsection (3) if,

(i) the City has calculated the tax rate for the property class under section 8 or 9, and

(ii) the property class is one of the commercial classes or industrial classes.

(3) The additional rate for a property class for a taxation year for the purposes of clause (2) (b) is determined in the following manner:

1. Determine the lowest rate that would raise an amount sufficient to fund rebates made under section 329 of the Act in respect of property in,

   i. the commercial classes, if the property class is one of the commercial classes, or

   ii. the industrial classes, if the property class is one of the industrial classes.

2. If the property class is one of the commercial classes, allocate to the property class the rate that will result in the rates on all the commercial classes being in the same proportion to one another as the tax ratios established under section 275 of the Act for the commercial classes.

3. If the property class is one of the industrial classes, allocate to the property class the rate that will result in the rates on all the industrial classes being in the same proportion to one another as the tax ratios established under section 275 of the Act for the industrial classes.

(4) Despite clause (2) (a), for the 2007 taxation year, the City may elect to apply a different tax rate for the general levy for a taxation year for the property class that does not exceed the rate determined using the formula,

$$A \times \left[1 + \left(0.5 \times \frac{B - C}{C} \right) \right]$$

in which,

"A" is the notional tax rate, as calculated under section 14 of this Regulation for the property class to which subsection 277 (7) of the Act applies, excluding the tax rate for school purposes,

"B" is the actual tax rate for the residential property class as calculated under section 18 excluding the tax rate for school purposes, and

"C" is the notional tax rate for the residential property class as calculated under section 19 excluding the tax rate for school purposes.

(5) In this section,

"commercial classes" and "industrial classes" have the meaning given to those expressions by subsection 275 (1) of the Act.

Municipal levy restriction thresholds

4. The following tax ratios are prescribed for the purposes of subsection 277 (7) of the Act:

1. For the multi-residential property class, 2.74.
2. For the commercial classes, 1.98.
3. For the industrial classes, 2.63.

Special levy for tax increase

5. (1) If, in a taxation year, subsection 6 (1) or (2) applies to a property class of the City, the City shall raise an amount by special levy equal to the amount by which its revenue was reduced by the application of that subsection to the property class.

(2) The special levy shall be raised under subsection 277 (4) of the Act on all property that is not in a property class to which subsection 6 (1) or (2) applies for the year.

Maximum tax ratios

6. (1) If section 5 of this Regulation applied in the previous taxation year, the tax ratio established by the City under section 277 of the Act for the property class for a taxation year shall not exceed the tax ratio calculated in the following manner:

1. Identify the general levy tax rate for the residential property class, as determined by the City for the previous year under section 277 of the Act.
2. Determine the increased residential tax rate by adding the tax rate identified in paragraph 1 and the rate for the special levy for the residential property class for the previous year, as determined under section 5.
3. Divide the previous year's general levy tax rate for the property class that is subject to section 3 of this Regulation, as determined by the City for the previous year under section 277 of the Act, by the increased residential tax rate determined under paragraph 2.

(2) If section 6 of Ontario Regulation 73/03 (Tax Matters — Special Tax Rates and Limits, 2003 and Later Years) made under the *Municipal Act, 2001* applied in 2006, the tax ratio established by the City under section 277 of the Act for the property class for 2007 shall not exceed the tax ratio calculated in the following manner:

1. Identify the general levy tax rate for the residential property class, as determined by the City for 2006 under section 308 of the *Municipal Act, 2001*.
2. Determine the increased residential tax rate by adding the tax rate identified in paragraph 1 and the rate for the special levy for the residential property class for 2006, as determined under section 6 of Ontario Regulation 73/03.
3. Divide the general levy tax rate for the property class that is subject to section 3 of this Regulation, as determined by the City for 2006 under section 308 of the *Municipal Act, 2001*, by the increased residential tax rate determined under paragraph 2.

Maximum tax rates and revenue limit if s. 6 (2) applies

7. (1) If the tax rates for the general levy imposed for a taxation year by the City under section 277 of the Act would otherwise result in revenues that would exceed the revenue limit for the City for the year, as determined under subsection (2) or (4), the maximum property class tax rate for the year for a property class to which subsection 3 (2) of this Regulation applies in the year shall be the rate determined as follows:

1. Determine the total weighted assessment for the City by adding the weighted assessments for all of the property classes in the City, as determined under subsection 19 (4).
2. For the general municipal levy, determine the residential rate for the taxation year by dividing the revenue limit for the City, as determined under subsection (2) or (4), as the case may be, by the total weighted assessment for the City determined under paragraph 1.

3. The maximum property class tax rate for the taxation year for a property class in the City to which subsection 3 (2) applies is the product determined by multiplying the residential rate for the taxation year, determined under paragraph 2, by the tax ratio for the property class for the taxation year as determined under section 6.

4. For the purposes of paragraph 3, the maximum tax ratio for a property class for a taxation year is the tax ratio determined for the year under section 6.

(2) The revenue limit for the City for 2007 shall be determined in the following manner:

1. Identify the general levy tax rate for each property class, as determined by the City for 2006 under section 312 of the *Municipal Act, 2001*.

2. Increase the tax rate determined under paragraph 1 by adding the special levy tax rate for the property class for the previous year, if any, as determined under section 6 of Ontario Regulation 73/03 (Tax Matters — Special Tax Rates and Limits, 2003 and Later Years) made under the *Municipal Act, 2001*.

3. Determine the revenue for 2006 for each property class by multiplying the tax rate for the property class, as determined under paragraph 2, by the sum of the assessments for all properties in the property class.

4. Determine the revenue limit for the City for 2007 by adding the revenue for the year, as determined under paragraph 3, for all property classes in the City.

(3) For the purposes of subsection (2), the assessment for a property in a property class is the assessment for the property for 2006,

(a) less the amount, if any, equal to the same percentage of the assessment as the percentage reduction, if any, under section 313 of the *Municipal Act, 2001* in the tax rate applicable to the property for 2006; and

(b) after all adjustments to the assessment, if any, made under subsection 312 (3) of the *Municipal Act, 2001*.

(4) The revenue limit for the City for 2008 or a subsequent taxation year shall be determined in the following manner:

1. Identify the general levy tax rate for each property class, as determined by the City for the previous year under section 277 of the Act.

2. Increase the tax rate determined under paragraph 1 by adding the special levy tax rate for the property class for the previous year, if any, as determined under section 5.

3. Determine the revenue for the year for each property class by multiplying the tax rate for the property class, as determined under paragraph 2, by the sum of the assessments for all properties in the property class.

4. Determine the revenue limit for the City for the year by adding the revenue for the year, as determined under paragraph 3, for all property classes in the City.

(5) For the 2007 taxation year, if the City has elected under subsection 3 (4) to apply a different tax rate for the general levy for a property class, the revenue limit for the year under subsection (4) shall be deemed to be the amount determined under the following rules:

1. For each property class for which the City has elected under subsection 3 (4), determine the increase in revenue for the year for the property class as a result of the election.

2. Add the amounts determined under paragraph 1 to the revenue limit for 2007 that would otherwise be determined under subsection (4) without the application of this subsection.

PART III
LIMITS ON TRADITIONAL MUNICIPAL TAXES

DETERMINATION OF MAXIMUM TAXES — LEVY CHANGE ADJUSTMENT (SUBSECTION 291 (1) OF THE ACT)

Application

16. Sections 17 to 20 of this Regulation provide for the adjustments to be made under paragraph 3 of subsection 291 (1) of the Act in respect of changes in taxes for municipal purposes.

Levy change adjustment

17. (1) The amount determined under paragraph 2 of subsection 291 (1) of the Act for a taxation year in respect of a property shall be adjusted,

(a) by increasing it by the amount determined for the year under subsection (2), if the amount determined under subsection (2) is positive; or

(b) by decreasing it by the amount determined for the year under subsection (2), if the amount determined under subsection (2) is negative.

(2) The amount referred to in clauses (1) (a) and (b) for a taxation year is determined by multiplying the amount determined under paragraph 2 of subsection 291 (1) of the Act for the taxation year by the adjustment fraction calculated under subsection (3) for that year.

(3) The adjustment fraction for a taxation year shall be calculated using the formula,

$$\frac{D - E}{E}$$

in which,

"D" is the actual tax rate for the property for the taxation year, as described in section 18, and

"E" is the notional tax rate to raise the previous year's levies for the property, as determined under section 19.

Actual tax rate for a taxation year

18. (1) For the purposes of subsection 17 (3), the actual tax rate for a property for a taxation year means the sum of each tax rate for the taxation year for municipal or school purposes that is applicable to property in the applicable property class.

(2) Despite subsection (1), a special municipal levy for a taxation year applicable to property in a property class shall be included as a tax rate in the calculation of the actual tax rate only if the levy applies to at least 50 per cent of the sum of the assessments of all properties in that property class.

Notional tax rate to raise the previous year's levies

19. (1) For the purposes of subsection 17 (3), the notional tax rate to raise the previous year's levies for a property means, in respect of a taxation year, the rate determined under the following rules for the applicable property class:

1. For every general or special municipal levy for the previous year that applied to property in the City, determine the previous year's levy amount under subsection (2).
2. Despite paragraph 1, only general or special levies that applied in the previous year to at least 50 per cent of the sum of the assessments for the taxation year for property in the property class in the City are included for the purposes of this subsection.
3. Determine the total weighted assessment for the City by adding the weighted assessment for the taxation year, as determined under subsection (4), for each property class to which the levy applied.
4. For each levy, determine the residential rate for the previous year by dividing the previous year's levy amount, referred to in paragraph 1, by the total weighted assessment determined under paragraph 2.
5. For each levy, determine a class rate for each property class for the taxation year by multiplying the residential rate for the previous year, as determined under paragraph 4, by the tax ratio for the property class for the taxation year.
6. For each property class, the notional tax rate to raise the previous year's levies is the sum of the class rates for the previous year, as determined under paragraph 5, for the property class and the tax rate for the taxation year for school purposes.

(2) For the purposes of paragraph 1 of subsection (1), the previous year's levy amount shall be determined in the following manner:

1. Apply the tax rate for the previous year for each property class to the total assessment for property in the property class to which the levy applied, as determined under subsection (3).
2. The previous year's levy amount is the sum of the amounts determined under paragraph 1 for the property classes.

(3) For the purposes of paragraph 1 of subsection (2), the total assessment for property in a property class is determined by taking the sum of the assessments for the previous year for each property in the property class and adjusting the sum for the changes in assessment that would produce the changes in taxes referred to in,

(a) paragraphs 2 and 3 of subsection 282 (6) of the Act, if the property class is not subject to Part XII of the Act; or

(b) paragraphs 2, 3 and 5 of subsection 291 (2) of the Act, if the property class is subject to Part XII of the Act.

(4) Despite subsection (3), for the purposes of paragraph 1 of subsection (2), the total assessment for 2007 for property in a property class is determined by taking the sum of the assessments for the previous year for each property in the property class and adjusting the sum for the changes in assessment that would produce the changes in taxes referred to in,

(a) paragraphs 2 and 3 of subsection 318 (6) of the *Municipal Act, 2001*, as it reads on December 31, 2006, if the property class was not subject to Part IX of that Act; or

(b) paragraphs 2, 3 and 5 of subsection 329 (2) of the *Municipal Act, 2001*, as it reads on December 31, 2006, if the property class was subject to Part IX of that Act.

(5) For the purposes of paragraph 2 of subsection (1), the weighted assessment for a taxation year for each property class to which the levy applies is calculated using the formula,

$$F \times G$$

in which,

"F" is the sum of the assessments for the taxation year for properties in the property class to which the levy applies,

"G" is the tax ratio for the property class for the taxation year.

(6) For the purposes of subsection (5), the assessment for a taxation year for a property in a property class shall be reduced by the same percentage of the assessment as the percentage reduction, if any, under section 278 of the Act in the tax rate applicable to the property for the taxation year.

Graduated tax rates

20. For the purposes of sections 17 to 19 of this Regulation, the tax rate for a property with respect to which a by-law under section 279 of the Act applies is the tax rate that would have applied if section 279 of the Act had not applied.

DETERMINATION OF MAXIMUM TAXES — ADJUSTMENT FOR CONSOLIDATION OR DIVISION OF PARCELS (SUBSECTION 291 (2) OF THE ACT)

Application and interpretation

21. (1) In this section and sections 22 to 27,

"assessment roll" means the assessment roll under the *Assessment Act*;

"average level of taxation" means, in respect of two or more parcels of land for the previous year, the sum of the taxes for municipal and school purposes imposed on each parcel in the previous year divided by the sum of the taxes that would have been imposed for the previous year on each parcel if Part XII of the Act had not applied;

"consolidated parcel" means a parcel of land included on the assessment roll for the taxation year that was included on the assessment roll for the previous year as two or more separate parcels;

"level of taxation" means, in respect of a parcel of land for a year, the level of taxation for the parcel for the year that would be determined under paragraph 1 of subsection 291 (2) of the Act;

"original parcel" means, in respect of a taxation year, a parcel of land included on the assessment roll for the previous year that is severed or subdivided into two or more parcels of land that are included on the assessment roll for the current taxation year;

"property class" means a property class under the *Assessment Act*;

"separate parcel" means, in respect of a taxation year, a parcel of land included on the assessment roll for the previous year that is included on the assessment roll for the taxation year as part of a consolidated parcel;

"severed parcel" means, in respect of a taxation year, a parcel of land included on the assessment roll for the taxation year that was part of an original parcel included on the assessment roll for the previous year;

"subclass" means subclass of real property as defined in section 1 of the *Assessment Act*.

(2) For the purposes of this section and sections 22 to 27 of this Regulation, the commercial classes, as defined in subsection 288 (1) of the Act, are deemed to be a single property class and the industrial classes, as defined in that subsection, are deemed to be a single property class.

(3) In sections 22 to 27, a reference to a provision of the Act listed in Column 1 of the following Table shall be read as a reference to the provision of the *Municipal Act, 2001* listed in the same row in Column 2 of the Table if the reference is to the application of the provision for the 2006 taxation year:

TABLE

Column 1 — Act	Column 2 — *Municipal Act, 2001*
Part XII	Part IX
Section 291	section 329
Section 293	section 330
Section 294	section 331
paragraph 1 of subsection 294 (2)	paragraph 1 of subsection 331 (2)

Consolidation of parcels, par. 1 of s. 291 (2) of the Act

22. (1) This section applies to determine, for the purposes of paragraph 1 of subsection 291 (2) of the Act, the amount of taxes for the previous year if two or more parcels of land that were included on the assessment roll for taxation in the previous year are consolidated into one consolidated parcel on the assessment roll for the taxation year.

(2) The amount of the taxes for the previous year for the consolidated parcel is the sum of the taxes for municipal and school purposes levied on the separate parcels for the previous year if the property class in which each separate parcel was included for the previous year and the property class in which the consolidated parcel is included for the taxation year are the same.

(3) Subject to subsection (4), if two or more separate parcels were included in different property classes in the previous year to which Part XII of the Act applied and portions of the consolidated parcel are in the same property classes in the taxation year as the separate parcels, the amount of taxes for the previous year for the portion of the consolidated parcel that is in the same property class for the taxation year as the corresponding separate parcel in the previous year is the amount of taxes for municipal and school purposes levied for the previous year on the separate parcel.

(4) If any of the separate parcels was included in the subclass for vacant land for the previous year and the corresponding portion of the consolidated parcel is included for the taxation year in the subclass for excess land,

(a) the amount of the taxes for the previous year for the portion of the consolidated parcel that is included in the subclass for excess land in the taxation year is the amount of the taxes for municipal and school purposes that was levied on the separate parcel included in the subclass for vacant land for the previous year; and

(b) the amount of the taxes for the previous year for each portion of the consolidated parcel that is not included in the subclass for excess land in the taxation year is the amount of the taxes for municipal and school purposes that was levied for the previous year on the corresponding separate parcel if it was included in the same property class in the previous year as the portion of the consolidated parcel.

(5) If two or more of the separate parcels were included in the same property class to which Part XII of the Act applied in the previous year but only a portion of the consolidated parcel is included in that property class in the taxation year, the amount of the taxes for the previous year for that portion of the consolidated parcel is the amount determined in the following manner:

1. Determine the average level of taxation of the separate parcels for the previous year.
2. Determine the tax rate levied by the City for the previous year on property in the same property class as that portion of the consolidated parcel.
3. Determine the assessment on the portion for the taxation year.
4. Determine the total assessment of the consolidated parcel.
5. Divide the amount determined under paragraph 3 by the amount determined under paragraph 4.
6. Determine the total assessment of the separate parcels for the previous year.
7. Multiply the quotient determined under paragraph 5 by the amount determined under paragraph 6.
8. Multiply the average level of taxation determined under paragraph 1 for the previous year by the tax rate determined under paragraph 2 for the previous year.
9. Multiply the product determined under paragraph 7 by the product determined under paragraph 8.

(6) If two or more of the separate parcels were included in different property classes to which Part XII of the Act applied in the previous year and the consolidated parcel is included in the same property class for the taxation year as one of those separate parcels, the amount of the taxes for municipal and school purposes for the consolidated parcel for the previous year is the amount determined in the following manner:

1. Determine,
   i. the level of taxation for the previous year of the separate parcel that was included in the same property class in the previous year as the consolidated parcel, if only one separate parcel was in the same property class for the previous year as the consolidated parcel, or
   ii. the average level of taxation for the previous year of the separate parcels that were included in the same property class in the previous year as the consolidated parcel, if more than one separate parcel was in the same property class for the previous year as the consolidated parcel.
2. Determine the sum of the assessments for the previous year of all of the separate parcels that were in different property classes for the previous year than the consolidated parcel.
3. Determine the tax rate levied by the City for the previous year on property in the same property class as the consolidated parcel.
4. Multiply the sum of the assessments determined under paragraph 2 by the tax rate referred to in paragraph 3.
5. Multiply the product determined under paragraph 4 by the lesser of,
   i. 1.00, and
   ii. the level of taxation or average level of taxation for the previous year determined under paragraph 1.
6. Add the product determined under paragraph 5 to the taxes determined for the previous year under section 291, 293 or 294 of the Act for all of the separate parcels that were included in the same property class in the previous year as the consolidated parcel.

(7) The amount of taxes for municipal and school purposes of the consolidated parcel for the previous year is the amount determined under subsection (8) if,

(a) two or more of the separate parcels that were consolidated for the taxation year were included in different property classes for the previous year;

(b) not all of the separate parcels that were consolidated were included in property classes that were subject to Part XII of the Act for the previous year;

(c) the consolidated parcel is included in a single property class that is subject to Part XII of the Act for the taxation year; and

(d) the property class in which the consolidated parcel is included for the taxation year is the same as the property class in which one of the separate parcels was included in the previous year.

(8) For the purposes of subsection (7), the amount is determined as follows:

1. Determine,

   i. the level of taxation for the previous year of the separate parcel that was included in the same property class in the previous year as the consolidated parcel, if only one separate parcel was in the same property class for the previous year as the consolidated parcel, or

   ii. the average level of taxation for the previous year of the separate parcels that were included in the same property class in the previous year as the consolidated parcel, if more than one separate parcel was in the same property class for the previous year as the consolidated parcel.

2. Determine the sum of the assessments for the previous year of all separate parcels that were included in property classes that were not subject to Part XII of the Act.

3. Determine the tax rate levied by the City for the previous year on property in the same property class as the consolidated parcel.

4. Multiply the sum of the assessments determined under paragraph 2 by the tax rate referred to in paragraph 3.

5. Multiply the product determined under paragraph 4 by the lesser of,

   i. 1.00, and

   ii. the level of taxation or average level of taxation for the previous year determined under paragraph 1.

6. Add the product determined under paragraph 5 to the taxes determined for the previous year under section 291, 293 or 294 of the Act for all of the separate parcels that were in the same property class in the previous year as the consolidated parcel.

Severance or subdivision of land, par. 1 of s. 291 (2) of the Act

23. (1) This section applies in determining the amount of taxes for the previous year for a severed parcel for the purposes of paragraph 1 of subsection 291 (2) of the Act.

(2) The amount of the taxes for municipal and school purposes for the previous year for a severed parcel that is in the same property class in the taxation year as the property class in which the original parcel was included for the previous year is the amount determined in the following manner, if the original parcel was not included in the previous year in the subclass for vacant land:

1. Determine the taxes for municipal and school purposes for the original parcel for the previous year under section 291, 293 or 294 of the Act.

2. Determine the ratio of the assessment for the taxation year of each severed parcel that is in the same class as the original parcel to the total assessment of the severed parcels for the taxation year.

3. Multiply the amount of taxes determined under paragraph 1 by the ratio determined under paragraph 2.

(3) If a portion of the original parcel was included in the subclass for excess land for the previous year, the taxes for municipal and school purposes for the previous year for a severed parcel that is not in the subclass for vacant land for the taxation year and that is in the same property class as the corresponding portion of the original parcel that was not included in the subclass for excess land for the previous year is the amount of taxes levied on the corresponding portion of the original parcel in the previous year.

(4) If the original parcel contains portions that are in different property classes to which Part XII of the Act applied and the severed parcels are contained in the same property class as a portion of the original parcel, the taxes for municipal and school taxes for the previous year for the severed parcel is the amount of the taxes levied on the corresponding portion of the original parcel.

Portion of parcel in same property class as original parcel

24. (1) This section applies to a portion of a parcel of land if,

(a) the parcel of land was in a single property class that was subject to Part XII of the Act in the previous year; and

(b) the parcel of land is apportioned into more than one property class for the taxation year and the portion of the parcel is in the same class as the classification of the parcel from the previous taxation year.

(2) The taxes for the previous year for the portion of the parcel of land shall be determined in the following manner:

1. Determine the taxes for the original parcel for the previous year under section 291, 293 or 294 of the Act.
2. Determine the ratio of the assessment of the apportioned parcel that is in the same property class as the original parcel for the taxation year to the total assessment of the parcel for the taxation year.
3. Multiply the amount of taxes determined under paragraph 1 by the ratio determined under paragraph 2.

Change in proportions of parcel in different property classes

25. (1) This section applies to a parcel that satisfies the following conditions:

1. Portions of the parcel were included in different property classes for the previous year.
2. Portions of the parcel are included in the same property classes for the taxation year and not in any other property class.
3. The proportion of the assessment of each portion of the parcel in a property class has changed between the previous year and the taxation year.
4. The change in the assessment for each portion of the parcel included in a property class for the taxation year is due only to a change in the proportion of the parcel included in each of the property classes, as a result of a change event described in clause (a) of the definition of "change event" in subsection 34 (2.2) of the *Assessment Act*.

(2) The amount of taxes for municipal and school purposes for the previous year for the purposes of paragraph 1 of subsection 291 (2) of the Act for each portion of the parcel whose assessment increased between the previous year and the taxation year is determined as follows:

1. Determine the amount of taxes that were levied on the portion of the property for the previous year under section 291, 293 or 294 of the Act.
2. Determine the amount of taxes that would have been levied on the portion of the property for the previous year but for the application of Part XII of the Act.
3. Divide the amount determined under paragraph 1 by the amount determined under paragraph 2.
4. Determine the assessment of the portion of the property on the assessment roll for the taxation year.
5. Determine the total assessment of the property on the assessment roll for the taxation year.
6. Divide the amount determined under paragraph 4 by the amount determined under paragraph 5.
7. Multiply the quotient determined under paragraph 6 by the total assessment of the property on the assessment roll for the previous year.
8. Determine the amount of taxes that would have been levied in the previous year on the assessment amount determined under paragraph 7 but for the application of Part XII of the Act.
9. Subtract the amount determined under paragraph 2 from the amount determined under paragraph 8.
10. Multiply the remainder determined under paragraph 9 by the lesser of,
    i. the quotient determined under paragraph 3, and
    ii. 1.0.
11. Add the product determined under paragraph 10 to the amount determined under paragraph 1.

(3) The taxes for municipal and school purposes for the previous year for the purposes of paragraph 1 of subsection 291 (2) of the Act for each portion of the parcel whose assessment decreased between the previous year and the taxation year is determined as follows:

1. Determine the assessment of the portion of the property on the assessment roll for the taxation year.
2. Determine the total assessment of the property on the assessment roll for the taxation year.
3. Divide the amount determined under paragraph 1 by the amount determined under paragraph 2.

2. If the distance specified for the board in Column 2 of Table 6 is equal to or greater than 151 kilometres but less than 650 kilometres, the amount is determined using the formula:

$$(A - 150) \times \$1.01862$$

   in which,

   "A" is the distance specified for the board in Column 2 of Table 6.

3. If the distance specified for the board in Column 2 of Table 6 is equal to or greater than 650 kilometres but less than 1,150 kilometres, the amount is determined using the formula:

$$[(A - 650) \times \$0.13708] + \$509.31$$

in which,

"A" is the distance specified for the board in Column 2 of Table 6.

4. If the distance specified for the board in Column 2 of Table 6 is equal to or greater than 1,150 kilometres, the amount is $577.85.

$$(DD - F) \times ADE \times \$5.35966$$

in which,

"DD" is the dispersion distance in kilometres set out in Column 4 of Table 6 opposite the name of the board in Column 1 of that Table,

"F" is the lesser of "DD" and 14 kilometres, and

"ADE" is the 2007-2008 day school average daily enrolment of pupils of the board.

(8) If the number of full years of teaching experience of a teacher exceeds 10, the number of full years of teaching experience of the teacher is deemed to be 10.

(9) The number of full years of teaching experience of a principal or vice-principal is deemed to be 10.

(10) The following rules apply, as of October 31, 2007, to determine the qualification category of a teacher:

(2) L'élève qui reçoit un enseignement dans un programme d'enseignement dispensé par un conseil qui est un programme d'enseignement admissible au sens du paragraphe 23 (2) n'est pas un élève inscrit à une école qui relève du conseil pour l'application du paragraphe (1).

«D» représente le produit du nombre de jours que compte l'horaire visé à la définition de «C» par 300.

(5) Si le présent règlement exige que les élèves soient dénombrés, mais qu'il ne prévoit pas que le dénombrement soit effectué en fonction de l'effectif quotidien moyen ou de l'effectif à temps plein ou l'équivalent, chaque élève, qu'il soit à temps plein, à mi-temps ou à temps partiel, compte pour un élève.

8. Les subventions générales payables en application du présent règlement se fondent sur des estimations pendant l'exercice. Les redressements éventuels nécessaires sont effectués lorsque les données, notamment les données financières et l'effectif réels, sont connues.

Conditions du versement des subventions

9. (1) L'obligation pour les conseils de se conformer aux lois dont l'application relève du ministre et aux textes pris en application de telles lois, notamment des règlements, des politiques, des lignes directrices ou des directives, est une condition du versement des subventions prévues par le présent règlement.

(2) Si le conseil contrevient à une loi dont l'application relève du ministre ou à un texte pris en application d'une telle loi, notamment un règlement, une politique, une ligne directrice ou une directive, le ministre peut retenir tout ou partie de la subvention qui lui est payable par ailleurs en application de la Loi.

Redressement du trop-payé

10. Si un conseil a reçu une somme supérieure à celle qui lui était payable en application d'un règlement sur les subventions générales, le trop-payé, s'il n'a pas été déduit des subventions qui lui sont payables en application d'autres règlements sur les subventions générales, est déduit de celles qui lui sont payables en application du présent règlement.

Redressement du moins-payé

11. Si un conseil a reçu une somme inférieure à celle qui lui était payable en application d'un règlement sur les subventions générales, le moins-payé qui reste impayé est ajouté aux subventions qui lui sont payables en application du présent règlement.
